

# HAZE 500 FT PRO

PRODUCT CODE RO-10090050

ROBE is proud to unveil the most up-to-date Hazer with passion, HAZE 500FT PRO, to the entertainment industry. This ground breaking masterpiece is invested with enormous experience in studying and designing haze machines after years of hard work and therefore the performance of HAZE 500FT PRO is second to none and better than any other hazers on stage. It can work perfectly with laser beam, lighting and bring the best atmospheric effects to all events. HAZE 500FT PRO is definitely the best choice for surrounding sensitive stage designers, performers, and audiences. Last but not least, the extraordinary low haze liquid consumption rate makes HAZE 500FT PRO much more energy-efficient and environmental-friendly.

ITEM	SPECIFICATION
Power	AC 100, 120, 230, 240 V, 50~60 Hz
Output	3,000 cu.ft/min
First Heat up Time	90 sec
Fluid Consumption Rate	20 hours continuous work/litre
Tank Capacity	2.5ltr
Control	LCD Timer Panel Controller Included
Protection	Compact Flight Case Included
Air Pressure	30 Psi
Weight	31.5kg
Dimensions	490 x 351 x 338mm
Fluid used	Haze 400FT Fluid

# HAZE 400 FT

PRODUCT CODE RO-10090010

The Haze 400 FT is equipped with an internal, maintenance-free air compressor, a sophisticated haze transfer mechanism, and a specially designed liquid tan, together with two haze nozzles capable of producing virtually invisible large volume of haze output. The fine translucence and staying power produced by Haze 400 FT makes more remarkable by the fact that with this hazer there are no temperature controls, hot air and warm-up times during operation.

Extremely powerful internal compressor is quiet and very efficient. With an added on-board DMX which provides users to control the unit by any DMX 512.

Haze 400 FT Professional Hazer is the elegant combination of the ultimate haze quality from high capacity, low fluid consumption and silent operation demanded by professionals.
